1. System Overview

Wisaal is a comprehensive donation management platform designed specifically for Shamsul Huda Islamic Academy. It streamlines the entire donation process, from participant registration to payment tracking and administrative reporting.

The system consists of three main components:

- **Admin Web Portal:** For managing users, tracking donations, and generating reports.
- **Mobile App (Android):** For volunteers to collect donations and donors to view their history.
- **Public Website:** A landing page for app downloads and general information.
